

RAYMOND SINGH ROCO

Las Piñas City, Metro Manila | rocoraymond@gmail.com | +63 955 633 6607

CAREER OBJECTIVE

To obtain a dynamic role in the field of information technology where I can leverage my programming expertise, analytical mindset, and commitment to innovation in developing efficient and scalable digital solutions that drive organizational success.

TECHNICAL SKILLS

- Languages: Java, Python, JavaScript, SQL.
- Web Development: NextJS, AuthJS, ReactJS, Tailwind CSS, Node.js, Flask, Django, Spring Boot, Express.js.
- Mobile Development: React Native, Flutter.
- Databases: MySQL, MongoDB, SQL Server Management Studio.
- Quality Assurance Tools: Testiny, Linear
- Design Tools: Adobe Photoshop, Adobe Illustrator, Canva, Figma.
- Software Literacy: Proficient in MS Office Apps (Word, Excel, PowerPoint) and Google Services (Gmail, Drive, Calendar).

PROJECTS

Penshoppe Inventory Management System

- Built a full-stack inventory management solution using the MERN stack (MongoDB, Express, React, Node.js).
- Managed local data storage and administration using MongoDB Compass to enable efficient stock tracking.

Mobile and Web Navigation System: Walk-to-Grave

- Participated in the development of a mobile and web-based navigation system for cemetery visitors.
- Performed unit, integration, and performance testing to ensure reliability across different platforms.

Verdavia: Advertisement Web

- Developed and deployed a functional website using React Native and Tailwind CSS, version-controlled through GitHub.
- Handled frontend coding and deployment, ensuring a clean interface and optimized site performance.

Personal Portfolio Website

- Designed a responsive portfolio using Next.js to showcase technical skills and project history.
- Implemented server-side rendering to optimize page load times and ensure seamless user experience.

WORK EXPERIENCE

Quality Assurance Analyst Intern | Sandlot, Las Piñas City *January 2026 – June 2026*

- Handled 4 projects simultaneously, managing complex QA tasks across multiple modules and releases.
- Performed smoke/sanity, functional, end-to-end, and parallel testing to ensure product quality and stability.

Customer Service Representative | Innixito, Las Piñas City *June 2022 – April 2023*

- Most Improved Employee (Dec 2023): Recognized for consistently achieving highest assistance ratings from quality assurance.
- Big Difference Customer Service Agent (Dec 2023): Honored for contributing significantly to department achievement of standard scores.

EDUCATIONAL BACKGROUND

Bachelor of Science in Information Technology *Specialization in Mobile and Web Development* National University
Mall of Asia, Pasay City | 2022 – 2026 | Cum Laude
